PRAISE IN THE PARK EXTRAVAGANZA 2008
“Exploring and Developing the Talent of Our Youth”

Praise in the Park, 2008 –In the year 2000, God place a vision in Joe Pope Jr. heart to produce a yearly outdoor event, called “Praise in the Park Extravaganza,” (PIP). Over the course of seven years, PIP has attracted over 5,000 people. This year “Praise in the Park,” will be held in Griffin, Ga. at the Griffin City Park, on July 12, 2008. Attendance this year along is expected to exceed over the limit.

Praise in the Park is a youth event promoting fellowship amongst youth and the entire community. It is designed to bring together children, teens, college students, and their families. The purpose is to encourage and support collaboration within the Spalding and surrounding communities. Also, to promote the unconditional love to youth and adults so that communities and the surrounding areas can be well benefited. This event showcases singing, dancing, acting and other forms of talents all around.

The motto, “Exploring and Developing the Gifts and Talents of Our Youth,” truly demonstrates the spirit of this event which in terms makes PIP one of the fastest growing community events in the surrounding areas. Talents from all around have come out and exposed themselves before an ambitious audience, with the motivation to share what God had given them in a good, powerful environment.

Veda Brown, of Black Gospel Promo says, “Praise in the Park is a positive outdoor event, very encouraging and uplifting to the spirit. She raved about the impact and exposure this event can have on new upcoming artists.

Candance Walker of Gospel Bella says, “Praise in the Park influence people of all ages, the impression this event leaves on one encourages you to share and deposit in the lives of others.

Joe Pope Jr. is really excited about this year’s line up. His desire has always been for PIP to be an event that everyone can enjoy. People from all races, origins, nationalities, and backgrounds, come out and enjoy with participation and expectation. If you are looking for exposure, have an artist who needs exposure, or if you would like to minister to the young people in a positive environment, this is the place you need to be, the sky is the limit.
