

## PRAISE IN THE PARK EXTRAVAGANZA 2008 JULY 10-12, 2008

Praise in the Park is a youth event promoting fellowship amongst youth and the entire community. It is designed to bring together children, teens, college students and their families. The purpose is to encourage and support teamwork within the Spalding and surrounding communities. Also, to promote the unconditional love to youth and adults so that we can better our communities and the surrounding areas. This event showcases singing, gospel dancing, acting and other forms of talents. Over the years, PIP has attracted over 5,000 people young and old, and we are really excited about this year's line-up. Our desire has always been for PIP to be an event that everyone can enjoy.

Our motto, "Exploring and Developing the Gifts and Talents of Our Youth," truly demonstrates the spirit of this event, which in terms makes PIP one of the fastest growing community events in the surrounding areas.

This year alone with PIP on July 12, 2008, we will be hosting our 1<sup>st</sup> annual Drum-a-thon on July 10, 2008 (Location to be determined), in Griffin, Ga. This event will consist of Drummers, young and old from the surrounding communities, coming out displaying their talent before a panel of judges. Talents from all types of Christian Drummers will come together on one accord. The purpose of this event is to challenge the energy of our youth to a more positive avenue.

Also on July 12, we will be hosting our 1<sup>st</sup> annual "Youth against Violence Conference," hosted by the Legendary "Sparky D". Youth from all over the community and the surrounding communities will come together. The purpose is to motivated, encourage, and uplift our youth of today.
